On January 30, 1996, Kentucky CGSA, Inc. ("Kentucky CGSA") requested that its application to construct an additional cell site at 11509 Shelbyville Road, Middletown, Kentucky, be held in abeyance for 60 days while it reviews alternative sites. By Order dated February 12, 1996, the Commission granted Kentucky CGSA's request and established April 1, 1996 as the due date for the filing of a report on the status of its investigation of alternative sites. Considering that no status report has been filed and that this case has now been pending for over nine months, IT IS ORDERED that Kentucky CGSA shall file by September 6, 1996 either a statement that it is ready, willing, and able to proceed with its existing application or the reasons why this case should not be dismissed without prejudice.

Done at Frankfort, Kentucky, this 27th day of August, 1996.
